SALTY POTATO SNACKS

LARGER *than* LIFE POTATO SNACKS

WE MADE OUR FIRST POTATO CHIPS IN 1983.

You could say our family business started with a little local invention -
potato wafers. Well, this little one is not so little anymore.
The tasty wafer recipe - a company’s well-kept secret - has given us lots of fans.
Our Grand Chips has now brand-new flavours and an amazing design.
Trust the taste from a brand with a history of creating tasty chips!
